1. Identification of the preparation and company

Product Identity DEVTHANE 389 SAFETY YELLOW KIT  
Bulk Sales Reference No. DC389K9400  
Company Name International Paint LLC  
6001 Antoine Drive  
Houston Texas 77091

Emergency  
CHEMTREC (USA) (800) 424-9300  
International Paint (713) 682-1711  
Poison Control Center (800) 854-6813  
Customer Service  
International Paint (800) 589-1267  
Fax No. (800) 631-7481

2. Hazard identification of the product

Danger

GHS Classification:

| Item  | Category       | Hazard   |
|---|----------------|--|
| Flammability  | 3              | Flammable liquid and vapor   |
| Acute Toxicity (mouth)                                      | Not classified | Not applicable   |
| Acute Toxicity (skin)                                       | Not classified | Not applicable   |
| Acute Toxicity (inhalation)                                 | Not classified | Not applicable   |
| Acute Toxicity (ingestion)                                  | Not classified | Not applicable   |
| Skin corrosion/irritation                                   | Not classified | Not applicable   |
| Eye damage/irritation                                       | Not classified | Not applicable   |
| Sensitization (respiratory)                                 | 1              | May cause allergy or asthma symptoms or breathing difficulties if inhaled. |
| Sensitization (skin)  | 1              | May cause allergic reaction.   |
| Germ toxicity   | Not classified | Not applicable   |
| Specific target organ systemic toxicity (single exposure)   | 1              | central nerve system   |
|   | 2              | Not applicable   |
|   | 3              | narcotic effects, respiratory tract irritation                             |
| Specific target organ systemic Toxicity (repeated exposure) | 1              | lung   |
|   | 2              | Not applicable   |
| Aspiration hazard   | Not classified | Not applicable   |
| Harmfulness to aquatic Environment (acute)                  | Not classified | Not applicable   |
|   | Not classified | Not applicable   |

DC389K9400\_0

|   |                |                |
|---|----------------|----------------|
| Harmfulness to aquatic Environment (long term effect) |                |                |
| Carcinogenicity                                       | Not classified | Not applicable |
| Reproductive Toxicity                                 | Not classified | Not applicable |
| Organic Peroxide                                      | Not classified | Not applicable |

Safety Phrases:

S23: Do not breathe vapor/spray.

S24/25: Avoid contact with skin and eyes.

S28: After contact with skin, wash immediately with plenty of soap and water.

S37: Wear suitable gloves.

S38: In case of insufficient ventilation, wear suitable respiratory equipment.

S45: In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

S51: Use only in well-ventilated areas.

|                 |   |                 |               |        |
|-----------------|---|-----------------|---------------|--------|
| Overview        | NOTICE: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Avoid contact with eyes, skin and clothing. May cause allergic respiratory reaction. |                 |               |        |
| Inhalation      | Harmful if inhaled. May cause lung injury. Causes nose and throat irritation. Vapors may affect the brain or nervous system causing dizziness, headache or nausea.  |                 |               |        |
| Eyes            | Causes severe eye irritation. Avoid contact with eyes.  |                 |               |        |
| Skin            | Causes skin irritation. May be harmful if absorbed through the skin.  |                 |               |        |
| Ingestion       | Harmful if swallowed. May cause abdominal pain, nausea, vomiting, diarrhea, or drowsiness.  |                 |               |        |
| Chronic effects | Possible cancer hazard. Contains an ingredient which may cause cancer based on animal data (See Section 2 and Section 15 for each ingredient). Risk of cancer depends on duration and level of exposure.  |                 |               |        |
| HMIS Rating     | Health: 3   | Flammability: 3 | Reactivity: 1 | PPE: X |

3. Composition/information on ingredients

| Ingredient                              | CAS No.      | Percent    |
|---|--------------|------------|
| 1,2,4-Trimethyl benzene                 | 0000095-63-6 | 1.0 - 10   |
| Benzene, ethyl-                         | 0000100-41-4 | 0.10 - 1.0 |
| Diisobutylketone                        | 0000108-83-8 | 1.0 - 10   |
| Methyl n-amy ketone                     | 0000110-43-0 | 1.0 - 10   |
| Ethylene glycol monobutyl ether acetate | 0000112-07-2 | 1.0 - 10   |
| BUTYL ACETATE                           | 0000123-86-4 | 10 - 25    |
| BUTYL PEROXYBENZOATE                    | 0000614-45-9 | 1.0 - 10   |
| Barium sulfate                          | 0007727-43-7 | 10 - 25    |
| Titanium dioxide                        | 0013463-67-7 | 1.0 - 10   |
| 2-Heptanone, 4,6-dimethyl-              | 0019549-80-5 | 1.0 - 10   |
| Hexamethylene diisocyanate homopolymer  | 0028182-81-2 | 1.0 - 10   |
| Petroleum naphtha                       | 0064742-95-6 | 1.0 - 10   |

4. First aid measures

|            |  |
|------------|--|
| General    | Remove contaminated clothing and shoes. Get medical attention immediately. Wash clothing before reuse. Thoroughly clean or destroy contaminated shoes.     |
| Inhalation | If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical attention immediately. |
| Eyes       | In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately.                                |
| Skin       | In case of contact, immediately flush skin with soap and plenty of water. Get medical attention immediately.   |

DC389K9400\_0

Ingestion If swallowed, immediately contact Poison Control Center at 1-800-854-6813. DO NOT induce vomiting unless instructed to do so by medical personnel. Never give anything by mouth to an unconscious person.

5. Fire-fighting measures

Flash Point F: 80  
C: 27

Lower Explosive Limit (LEL) .81 (%vol in air) at Normal Atmospheric Temp and Pressure  
ERG Guide No. 128

6. Accidental release measures

Spill Response Procedures ELIMINATE ALL IGNITION SOURCES (no smoking, flares, sparks or flames in immediate area). Use only non-sparking equipment to handle spilled material and absorbent. Do not touch or walk through spilled material. Stop leak if you can do so without risk. Prevent entry into waterways, sewers, basements or confined areas. A vapor suppressing foam may be used to reduce vapors. Absorb or cover with dry earth, sand, or other non-combustible material and transfer to containers. Use non-sparking tools to collect absorbed material.

Public Safety CALL CHEMTREC at (800)-424-9300 for emergency response. Isolate spill or leak area immediately for at least 50 meters (150 feet) in all directions. Keep unauthorized personnel away. Stay upwind. Keep out of low areas. Ventilate closed spaces before entering. LARGE SPILLS: Consider initial downwind evacuation for at least 300 meters (1000 feet).

ERG Guide No. 128

7. Handling and storage

Storage Temperature Store between 40-100F (4-38C).

Handling and Storage Precautions Keep away from heat, sparks and flame. Do not smoke. Extinguish all flames and pilot lights, and turn off stoves, heaters, electric motors and other sources of ignition during use and until all vapors are gone. Vapors may cause flash fire or ignite explosively. Prevent build-up of vapors by opening all windows and doors to achieve cross-ventilation. Avoid contact with eyes, skin and clothing. Close container after each use. Wash thoroughly after handling.

8. Exposure controls and personal protection

| Exposure     |                         |           |  |

Respiratory

Select equipment to provide protection from the ingredients listed in Section 3 of this document. Ensure fresh air entry during application and drying. If you experience eye watering, headache or dizziness or if air monitoring demonstrates dust, vapor, or mist levels are above applicable limits, wear an appropriate, properly fitted respirator (NIOSH approved) during and after application. Follow respirator manufacturer's directions for respirator use. FOR USERS OF 3M RESPIRATORY PROTECTION ONLY: For information and assistance on 3M occupational health and safety products, call OH&ESD Technical Service toll free in U.S.A. 1-800-243-4630, in Canada call 1-800-267-4414. Please do not contact these numbers regarding other manufacturer's respiratory protection products. 3M does not endorse the accuracy of the information contained in this Material Safety Data Sheet. INDIVIDUALS WITH LUNG OR BREATHING PROBLEMS OR PRIOR REACTION TO ISOCYANATES MUST NOT BE EXPOSED TO VAPOR OR SPRAY MIST. Do not breathe vapor or spray mist. Wear an appropriate, properly fitted respirator (NIOSH approved) during and after application unless air monitoring demonstrates vapor/mist levels are below applicable limits. A supplied air respirator (either positive pressure or continuous flow type) is required. Follow manufacturer's directions for respirator use and observe requirements specified in 29 CFR 1910.134.

Eyes

Avoid contact with eyes. Protective equipment should be selected to provide protection from exposure to the chemicals listed in Section 3 of this document. Depending on the site-specific conditions of use, safety glasses,

## DC389K9400\_0

chemical goggles, and/or head and face protection may be required to prevent contact. The equipment must be thoroughly cleaned, or discarded after each use.

|                      |  |
|----------------------|--|
| Skin                 | Protective equipment should be selected to provide protection from exposure to the chemicals listed in Section 3 of this document. Depending on the site-specific conditions of use, protective gloves, apron, boots, head and face protection may be required to prevent contact. The equipment must be thoroughly cleaned, or discarded after each use.    |
| Engineering Controls | Prevent build-up of vapors by opening all windows and doors to achieve cross-ventilation.  |
| Other Work Practices | Emergency eye wash fountains and safety showers should be available in the immediate vicinity of any potential exposure. Use good personal hygiene practices. Wash hands before eating, drinking, using toilet facilities, etc. Promptly remove soiled clothing and wash clothing thoroughly before reuse. Shower after work using plenty of soap and water. |

### 9. Physical and chemical properties

|                  |  |
|------------------|--|
| Physical State   | Liquid Coloured  |
| pH               |  |
| Specific Gravity | 1.13   |
| Boiling Point F  | 257  |
| Vapor Density    | Heavier than air   |
| VOC %            | Refer to the Technical Data Sheet or label where information is available. |
| Evaporation Rate | Slower than ether  |

### 10. Stability and reactivity

|                         |  |
|-------------------------|--|
| General                 | This product is stable and hazardous polymerization will not occur. Not sensitive to mechanical impact. Excessive heat and fumes generation can occur if improperly handled. |
| Incompatible Materials  | Strong oxidizing agents.   |
| Hazardous Decomposition | May produce hazardous fumes when heated to decomposition as in welding. Fumes may produce Carbon Dioxide and Carbon Monoxide.  |

DC389K9400\_0

General NOTICE: Reports have associated repeated and prolonged occupational overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. No additional information provided for this product. See Sections 8 and 11 for chemical specific data.

12. Ecological information

No additional information provided for this product. See Sections 8 and 11 for chemical specific data.

13. Disposal considerations

Dispose of in accordance with local, state and federal regulations. (Also reference RCRA information in Section 15 if listed).

14. Transport information
