

8862 is an epoxy finish providing an easily cleaned gloss appearance

- Good brush, roller and spray characteristics
- Tough film gives good resistance to mechanical damage
- Easy clean glossy surface
- Resistance to chemical spills

When you are looking for a tough surface that can also resist chemical spills you can apply 8862 in a range of colours.

Typical end uses

As the final coat in an appropriate scheme, 8862 is typically used in the following scenarios:

Environment	No of coats	Durability		
		Low	Med	High
C2 Outdoor Low corrosive	2 coats		✓	
C3 Outdoor Medium corrosive	2 coats	✓		

Availability

Available in key locations, 8862 is manufactured to high standards of consistency and quality, and is qualified to local standards.
